Dear Brother Roose

The Classis received in 2019 a request from the Pretoria consistory regarding the timely submission of the Synod agenda and all relevant deputies reports so that this information could be timely discussed in the consistory meeting well beforehand the actual Synod meeting.

The Classis supports whole heartly this request and therefore see the Pretoria consistory letter 2019-15.

The Classis first meeting will take place on 20 February where the delegates will be appointed.

With brotherly greetings

Roel Stolper / Rien Hordijk
